I dunno...

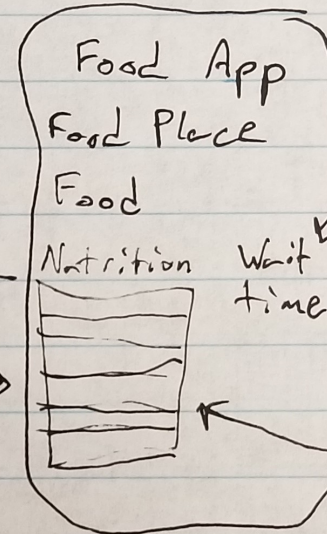

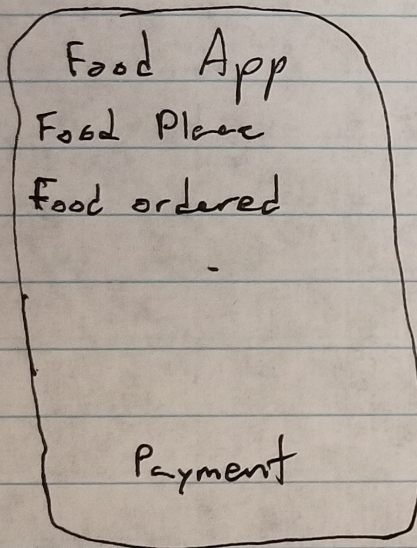

Michael Smiso

Allows to  
sort food  
places by  
distance, wait  
time, etc.

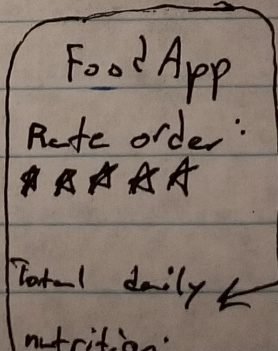

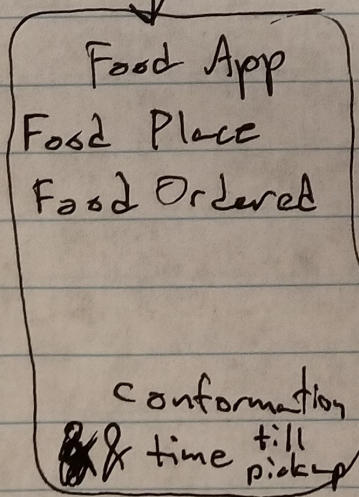

Shows  
Distance,  
time, &  
options

Shows specific  
wait time  
(based on  
complexity  
of menu)

Can indicate  
new total  
intake

Shows  
approx nutrition  
facts

Helps keep track  
of food intake  
and if you are  
eating healthy
